Taxes Now Being Collected

County Clerk J. S. Orth completed the duplicate tax roll for Jackson county and Monday turned it over to Sheriff J. M. Rader who is now ready to receive taxes. R. C. Hensley of Central Point has the honor of being the first to pay tax on this year's roll, he paying \$30 to Sheriff Rader Tuesday morning. By the close of the day \$2048.58 in taxes had been taken in by Sheriff Rader and Deputy Oris Crawford. Jackson county has the honor of making a better collection the first day than did Multnomah county which only collected \$2000.

The following pointers are given for the benefit of persons who have not yet paid their taxes:

If you pay your taxes before March 15 you will be allowed a rebate of 3 per cent.

If you pay your taxes between March 15th and up to and including the first Monday in April, there will not be any rebate and neither will there be any penalty or interest added.

If your taxes are not paid on or before the first Monday of April, they will become delinquent when there will be added a penalty of 10 per cent, and the tax will also draw interest at the rate of 12 per cent per annum in addition to the penalty.

If you pay one-half of your taxes, on or before the first Monday in April then the remaining half may run up to and including the first Monday in October following; but if the last half of tax due is not paid by the first Monday of October it becomes delinquent, and there will be added to such balance, a penalty of 10 per cent, and in addition such will bear interest at the rate of 12 per cent per annum from the first Monday in April until paid.

On all personal property taxes, if one-half is not paid on or before the first Monday in April, the law compels the sheriff to levy upon and collect the same after May 1st, hence to prevent a levy upon personal property after May 1st it will be necessary for one-half to be paid as above stated.

The law compels the sheriff to sell all lands on which taxes have not been paid, and that such sale shall not be held later than March 1st of the year succeeding the year in which the tax levy is made.

The property will be sold to the person bidding the lowest rate of interest, and certificates will be issued therefor, and deeds given to such property sold, unless redeemed within three years from the date of such sale.

The Journal's Hearst War Service.

It is manifest that the war which is now on between Russia and Japan will be the most picturesque and thrilling in modern history. It is another case of Goliath and David and it is within the bounds of possibilities that the results will be as surprising in the outcome.

Everybody will want war news, not in inconsequential dribbles but in masses, particularly when the exciting events are detailed.

The Portland Daily Journal has made preparations to cover the events of the war fully and adequately. In addition to its regular news service, which will be greatly expanded and supplemented by special service at various points of interest, it has arranged for the complete Hearst news service. As is well known a great staff of noted correspondents are already on the scene. Wherever there is news it will be secured totally without regard to cost. A proportionate part of the cost The Journal will bear and in consideration of this will receive every line of war news that comes over the cables for the Hearst papers.

This will give us facilities for laying the news before our readers unexcelled by any western newspaper.

The Journal proposes to give its readers the news without regard to expense and in the exciting days that are now upon us will set a new mark for newspaper enterprise in this section of the country.

If you want to know what is going on, the place to find it is in the columns of The Journal, and those who want to keep up with the rapid progress of events would do well to send in their subscriptions at once so as not to lose a single issue.

Daily, one year by mail, only \$4; six months, \$2.25; three months, \$1.25. Semi-weekly, 104 issues, one year, \$1.50. Weekly, \$1. The issues of the Semi-weekly and Weekly Journal also contain the market news and all of the features of the Daily Journal. Address

At Newport, on Yaquina bay, the famous Oregon summer seaside resort that is destined to equal the great Newport resort on the Atlantic coast, a 13 room hotel, one block from the main business section, is offered for trade for land in Rogue River Valley. Title perfect, house in good repair and supplied with hot and cold water on lower and upper floors, bath room, wood room, closets and all conveniences of a modern boarding house. The house is paying property and is only offered for trade by reason of the owner's wife having asthma and not able to live in a low altitude. Full particulars by addressing the Sentinel office.

Itch Ringworm.

E. T. Lucas, Wingo, Ky., writes, April 25th, 1902: "For 10 to 12 years I had been afflicted with a malady known as the 'itch.' The itching was most unbearable; I had tried for years to find relief, having tried all remedies I could hear of, besides a number of doctors. I wish to state that one single application of Ballard's Snow Liniment cured me completely and permanently. Since then I have used the liniment on two separate occasions for ring worm and it cured completely. 25c, 50c, and \$1.00 bottle. Sold by City Drug Store.
