### A Great Sensation.

There was a big sensation in Leesville, Ind. when W. H. Brown of that place, who was expected to die, had his life saved by Dr. King's New Discovery for Consumption. He writes: "I endured insufferable agonies from Asthma, but your New Discovery gave me immediate relief and soon thereafter effected a complete cure." Similar cures of Consumption, Pneumonia, Bronchitis and Grip are numerous. It's the peerless remedy for all throat and lung troubles. Price 50c, and \$1.00, guaranteed by Druggist Trial bottle free City Drug Store.

As a part of the mining exhibit that the Sentinel is getting up, a rocker, pan shovel and pick are wanted. They should be veterans and should show the hard service of many a prospecting trip. These old relics will add much to the interest of the exhibit to Eastern people visiting Jacksonville, and the Sentinel will appreciate the favor if its mining friends can send in the old tools, the like of which has made both millionaires and paupers.
