

Number of Votes Registered.

Registration of voters is proceeding very slowly and up to Thursday of this week but 2491 names had been filed with County Clerk Orth. As there are above 4500 votes in Jackson county and the registry books close May 16 there will have to be a hurrying up in the registering or a large number of voters will be put to the great inconvenience of securing six freeholders to swear in their vote for them on election day. This registration will hold for two years and the books will not again be open until March, 1906 and those on the 1904 list can vote at the presidential election this fall and all special elections without again registering. The following is the registration by precincts:

Geo. A. Dyson, one of the principal owners of the Yellow Jacket mine on Forest creek, was in Jacksonville Tuesday for a load of provisions and for powder and coal for use at their mine. Mr. Dyson stated that they are actively proceeding with development work at their mine. Last fall they sunk a shaft 60 feet but such quantities of water came in that they had to discontinue work, but the depth they reached proved that the rock was quite rich and the quantity of ore more than met their expectations. Having a favorable location for reaching the ledge by a tunnel, which would enable them to handle the ore cheaper and to remove the water, they began driving a tunnel, last fall and now have it in 225 feet with 75 feet more to drive before they will reach the ledge. The formation is diorite of the hardest kind and about a foot per day is all the speed that can be made in the tunnel. Mr. Dyson has assisting him W. I. McIntyre and M. A. VanGorden, two of the most experienced miners of this district. The tunnel will reach the ledge at a point 50 feet below the bottom of the shaft and an upraise will be put in to give connections. The Yellow Jacket is one of the most promising ledges on Forest creek and if it proves to be the mine that is now indicated it is the intention of Mr. Dyson and associates to put in a mill this fall and go to working ore.

An Open Letter.

From the Chapin, S. C., News: Early in the spring my wife and I were taken with diarrhoea and so severe were the pains that we called a physician who prescribed for us, but his medicines failed to give any relief. A friend who had a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy on hand gave each of us a dose and we at once felt the effects. I procured a bottle and before using the entire contents we were entirely cured. It is a wonderful remedy and should be found in every household. H. C. Bailey, Editor. This remedy is for sale by City Drug Store.

Cured His Mother of Rheumatism.

"My mother has been a sufferer for many years with rheumatism," says W. H. Howard, of Husband, Pa. "At times she was unable to move at all, while at all times walking was painful. I presented her with a bottle of Chamberlain's Pain Balm and after a few application she decided it was the most wonderful pain reliever she had ever tried, in fact, she is never without it now and is at all times able to walk. An occasional application of Pain Balm keeps away the pain that she was formerly troubled with." For sale by City Drug Store.

A Sure Thing.

It is said that nothing is sure except death and taxes, but that is not altogether true. Dr. King's New Discovery for Consumption is a sure cure for all lung and throat troubles. Thousands can testify to that. Mrs. C. B. VanMetre of Shepherdstown, W. Va., says "I had a severe case of Bronchitis and for a year tried everything I heard of, but got no relief. One bottle of Dr. King's New Discovery then cured me absolutely." It's infallible for Croup, Whooping, Grip pneumonia and Consumption. Try it. It's guaranteed by City Drug Store. Trial bottles free. Reg. sizes 50 cents, \$1.00.

IRRIGATION.

180 acres of land, 350 inches of water, and irrigation country for sale.

Rogue River Creamery, Medford, manufactures the C. E. G. brand fancy creamery butter, that is clean, elegant and guaranteed. Ask your merchant for it.

The Jacksonville board of trade wants samples of clay from all sections of Rogue River Valley. Samples should be of five pounds or more and should be labeled giving estimate of depth of deposit, if overlaid with other material to what depth, and the extent of the deposit. Where located and distance from railroad. Tests of samples will be made free of charge to the owners and they will be given the results. A good deposit of clay, if the clay working industry can be established in this valley, will be worth money.

If troubled with weak digestion, belching or sour stomach, use Chamberlain's Stomach and Liver Tablets and you will get quick relief. For sale by City Drug Store.

The traveling public can secure first class accommodations and, a good home, cooked meals at Mrs. A. D. Flory's boarding house on Third street opposite the U. S. Hotel.

Why worry with that old wornout machine when a small monthly outlay will put in its place the best, lightest running machine made. The payments are made to suit all. C. W. Conklin.
