

Additional Locals.

The Womans Missionary Society of the Presbyterian Church will hold their regular monthly meeting at the Church on Wednesday, June 22nd at 2 P.M. A full attendance is greatly desired, by request of the President.

Mrs. Mary Miller will leave Monday or Tuesday of next week for Portland, where she will visit her daughter Mrs. K. K. Kubli and make the acquaintance of a grand-daughter, who has recently made her arrival at the Kubli home.

Mr. and Mrs. O. Harbaugh made a visit Sunday to Mrs. Harbaugh's brother, J. R. Reames, who resides near Phoenix. Mr. Reames has been seriously sick for some months but he is now able to be about the house and is slowly gaining.

W. A. Johnson, one of the progressive young farmers on Applegate and who owns a fine farm on Humbug creek, was in Jacksonville Wednesday to meet Mrs. Johnson, who had been to Woodburn Oregon on a months visit with her parents.

Uncle Billy Robinson left Tuesday for Murphy to spend a month with his friend Wm. Hyde, that is if Uncle Bill don't return by the end of this week for he never stays away from Jacksonville for the length of time that he plans on the many trips that he takes to the country. Uncle Billy and Mr. Hyde own a very promising quartz ledge on Lower Applegate and it is their plan to have extensive prospecting work done on it this summer.

Mr. and Mrs. T. C. Hightower are among the late arrivals to Jacksonville, they coming from Eldorado county California. They are occupying a cottage belonging to Judge Hanna on South Oregon street. Mr. Hightower is an experienced miner and was attracted to this place by the encouraging reports of the gold mines of this district. Mr. Hightower states that it is reasonable to expect that the Jacksonville mineral belt will prove to be as productive as that of any of the other districts of Oregon or California and that within the next few years quartz mills will be as numerous here as are grist mills in Kansas.

Mr. and Mrs. E. I. Reynolds, both raised in this valley, have decided to seek a home in a newer section of Oregon where more opportunities are to be had by a young man, and the first of next week they leave by team for Eastern Oregon. They will take a trip through Klamath, Lake and Malheur counties and if they do not find in that section a grain or stock farm that suits them which they can purchase, they will go to the northern part of the state to Morrow county where Mr. Reynolds has a brother residing near Hardman and take a look at that section.

Rev. Robert Ennis arrived in Jacksonville last Friday from his home at Turner and Sunday he conducted services, morning and evening at the Presbyterian church. There was a good attendance at each service and Rev. Ennis was given a hearty welcome by his old time friends, for he was a former resident of Jacksonville and pastor of the Presbyterian church. Tuesday Rev. Ennis returned to Turner to arrange for the moving of his family to Jacksonville, which he expects to do if his little daughter, who has been ill for the past two months with typhoid fever, is able to stand the journey. If she is yet too weak to be moved Mrs. Ennis and the family will remain until such time as the journey can be made, but Rev. Ennis will return next week and the following Sunday, June 26, he will hold morning and evening service at the Presbyterian church. Thereafter services will be every two weeks, as was the schedule carried out by Rev. Strange, alternating with the service at the Methodist church, thus insuring to both churches larger congregations.

Mr. Pitt Items.

Grazing is fine in this section and stock are looking well.

Mr. George Beal is fitting up his mill race and will soon be ready to commence sawing. He intends to manufacture lumber for himself principally.

Mr. Harris is crowding his saw mill along toward completion as fast as circumstances will allow.

Mr. Higginbotham has the contract to haul forty thousand feet of lumber from Olsen's mill to be used for fluming and other purposes. There will be a dance near the mill site July fourth.

Mr. George West has moved on his homestead and is doing some more building and fencing.

Mr. Beabersteadt and son have finished planting and ditching on their Willow Prairie Ranch and returned to their home at Brownsboro.

The school will close on the 8th until after the annual meeting, then the District will determine whether the school will continue or not.

Thrown From a Wagon.

Mr. George K. Babcock was thrown from his wagon and severely bruised. He applied Chamberlain's Pain Balm freely and says it is the best liniment he ever used. Mr. Babcock is a well known citizen of North Plain, Conn. There is nothing equal to Pain Balm for sprains and bruises. It will effect a cure in one-third the time required by any other treatment. For sale by City Drug Store.

Lewis and Clark Centennial.

International scope is assured to the Lewis and Clark Centennial Exposition to be held at Portland, Oregon, from June 1st to October 15, 1905, by President Roosevelt's approval of the act of Congress making an appropriation for the Exposition, and his invitation to foreign countries to participate Portland's Exposition will represent a total outlay of over \$5,000,000. Though covering 405 acres of land and natural lake, it will be compact in form, and the average person will be able to see and comprehend it all in a few days at moderate cost. The cream of the foreign and domestic exhibits to be made at St. Louis this year will be transferred to Portland at the close of the Louisiana Purchase Exposition. The United States exhibit will be moved entire to Portland and installed in building to be specially erected. This exhibit will be worth \$800,000. In addition Portland will have many features which will not be seen at St. Louis, such as exhibit demonstrating the life, customs and industries of China, Japan, Hawaii, Siberia, Russia, Alaska, Australia, New Zealand, the Philippines and India.

The Lewis and Clark Centennial will be the first international exposition under Government patronage ever held on the Pacific Coast. It will be in every way a Western exposition. The railroads will make low rates from Missouri and Mississippi river points to Portland, and exceptionally low rates will be in effect between Portland and the Rocky Mountain region.

Startling Evidence.

Fresh testimony in great quantity is constantly coming in, declaring Dr. King's New Discovery for Consumption Coughs and Colds to be unequalled. A recent expression from T. J. McFarland, Bentonville Va. serves as example. He writes: "I had Bronchitis for three years and doctors all the time without being benefited. Then I began taken Dr. King's New Discovery and a few bottles wholly cured me." Equally effective in curing all Lung and Throat troubles, Consumption, pneumonia and Grip. Guaranteed by City Drug Store. Trial bottles free, regular sizes 50c and \$1.00.
