

Applegate Items.

Applegate has experienced some very warm weather here of late.

Miss Gladys Rose visited friends in Grants Pass last week.

Geo. Hoffman, of Thompson creek, was called to California by the death of his uncle.

Mr. Jackson, who has been very ill at the Benedict home is very much better at this writing. He expects to be able to go to a hospital in about a week.

Our Applegate baseball nine had an interesting game with Jacksonville Sunday on the Ruch grounds, the score being 5 to 6 in favor of Applegate. They will play Crants Pass on the Fourth.

Mr. and Mrs. J. C. Grubb were Medford visitors Thursday.

A pleasant family wedding took place last Sunday at the home of the bride's parents, Mr. Frank McLaughlin and Miss Addie Thurston. The many friends of Mr. and Mrs. McLaughlin paid their respects at 9 o'clock p. m. and were royally entertained by the happy couple and their parents. All repaired to their homes well pleased and wishing them a lifetime of happiness.

We see the smiling face of Arthur Dittmar. Glad to see him among us again.

The telephone office being moved from Provolt to John Miller's store, on Williams creek, works a hardship on the people; seven miles either way to a phone.

Mrs. Wooldridge and sisters, Mrs. Andy McCarthy and Miss May Shattuck, visited at the home of Mrs. N. Pernoll one day last week.

Mr. Wolke and family, of Grants Pass, are visiting the family of G. W. Wine-trout.

Mr. and Mrs. C. Devereaux, of Port-land, who have been visiting Mr. and Mrs. Jackson, have returned.

Fred Benedict made a trip to Grants Pass last Sunday.

Miss Mand Pernoll, of Applegate, is visiting relatives at Igera, Cal.

Our school election passed off nicely. H. D. Kubli succeeded himself as di-rector; N. Pernoll as clerk. There was a special call to vote a tax to build a new school house; not meeting the ap-proval of the taxpayers, it was moved that a subscription be raised to renovate the old one, and the majority re-sponded to the amount of \$100. Next fall when our pleasant teacher returns she will not know the school building.

Our spring school will close next Fri-day. Miss Donegan will teach the fall term.

Cured of Chronic Diarrhoea After Ten Years of suffering.

"I wish to say a few words in praise of Chamberlain's Colic, Cholera and Diar-rhoea Remedy," says Mrs. Mattie Burge, of Martins, Va. "I suffered from chronic diarrhoea for ten years and during that time tired various medicine without ob-taining any permanent relief. Last summer one of my children was taken with cholera morbus and I procured a bottle of this remedy. Only two doses were required to give her entire relief. I then decided to try the medicine myself and did not use all of one bottle before I was well and I have never since been troubled with that complaint. One can not say too much in favor of that wonder-ful medicine." This remedy is for sale by City Drug Store.

The July Woman's Home Companion is a souvenir number of the St. Louis Fair. It contains nine pages of picture and text descriptive of the Exposition in all its phases. Equally attractive picto-rial features are the "Wash-Day of All Nations," and "Celebrating the Fourth of July in Uncle Sam's New Possessions." These are the best kind of travel arti-cles, and are supplemented by a vivacious description of "Sports on an Ocean-Lin-er." Mr. Baynes contributes his usual fascinating Nature talk. There are in-teresting short stories by Shan F. Bul-lock, Helen F. Huntington and Opie Read. Best of all, the Editors announce that Margaret E. Sangster is to take charge of a page in the Woman's Home Companion. Published by The Crowell Publishing Company, Springfield Ohio; one dollar a year; ten cents a copy.

GRANTS PASS, OR., JUNE 28.—Num-bers of prospectors are outfitting at Grants Pass daily and starting for the mines on Thompson Creek and all through the Sucker Creek Country. They are coming from different points as far away as Idaho and Southern California.

The actual digging of gold at the Briggs claim, on Thompson Creek, has stopped for the present as they are now engaged in bringing a ditch from the headwaters of Thompson Creek to the mine for the purpose of supplying water. All of the dirt moved will be sluiced or puddled in order to get all the values they carry. Already a townsite has been located, and it is reported that there are now 50 tents up and prospectors with pack animals are arriving daily. Another strike of a large body of rich ore has been reported near the Briggs find.—Oregonian.

Brutally Tortured.

A case came to light that for persistent and unmerciful torture has perhaps never been equaled. Joe Golobrick of Colusa, Calif. writes. "For 15 years I endured insufferable pain from Rheumatism and nothing relived me though I tried every-thing known I came across Electric Bitters and it's the greatest medicine on earth for that trouble. A few bottles of it completely relived and cured me." Just as good for Liver and Kidney trou-bles and general debility. Only 50c. Satisfaction guaranteed by City Drug Store.

Night Was Her Terror.
