Neuber's Gold Bricks came out decked in their uniforms Sunday at Medford, and cut quite a figure. Instead of the usual "jono" that accompanies the wearing of glad rags, the Gold Bricks overcame this and showed the Medford Grays how the National game should be played.

Big Sticky Items.

Supt. V. T. McCray has returned home from a business trip to Fish Lake.

Wheat is looking fine out our way and farmers are correspondingly thankful.

There is water—and lots of it—in the Fish Lake irrigating ditch, and soon our country will blossom like the rose. The

ditch has proved a great blessing to the traveling public and loose stock on the desert, for in years gone by the traveler could go for miles on the dry barren desert without a drop of water to quench the thirst of his weary team, but now an abundance of nature's restorative can be found.

Married—On Sunday, June 19th 1904 at the residence of the groom's sister, Mrs. Chas. Milligan, of Medford, Mr. Miron Turpin, of Big Stickey, and Meda Charley, of Lake Creek, were united in the holy bonds of matrimony. The bride is a highly accomplished young lady and Nye is to be congratulated on securing such a household treasure. The young couple will reside on their fine stock ranch near Lake Creek. Their many friends wish them much joy and happiness.
