Cured of Chronic Diarrhoea After Ten Years of suffering.

"I wish to say a few words in praise of Chamberlain's Colic, Cholera and Diarrhoea Remedy," says Mrs. Mattie Burge, of Martins, Va. "I suffered from chronic diarrhoea for ten years and during that time tired various medicine without obtaining any permanent relief. Last summer one of my children was taken with cholera morbus and I procured a bottle of this remedy. Only two doses were required to give her entire relief. I then decided to try the medicine myself and did not use all of one bottle before I was well and I have never since been troubled with that complaint. One cannot say too much in favor of that wonderful medicine." This remedy is for sale by City Drug Store.

Three articles in the Review of Review for July exhibits in a striking way the activities of our Government in the combat with disease. Col. Wm. C. Gorgas, the head of our new sanitary service on the Isthmus of Panama, outlines the plans for sanitation of the canal strip; Mr. A. C. Haeselbarth describes the remarkable work of the Porto Rican commission in the fight with anemia on that island; and Mr. Oliver P. Newman tells what is done for consumptives by the Marine Hospital Service at Fort Stanton, New Mexico, and by the army and navy authorities at Fort Bayard, New Mexico.

Brutally Tortured.

A case came to light that for persistent and unmerciful torture has perhaps never been equaled. Joe Golobrick of Colusa, Calif., writes. "For 15 years I endured insufferable pain from Rheumatism and nothing relieved me though I tried everything known. I came across Electric Bitters and it's the greatest medicine on earth for that trouble. A few bottles of it completely relieved and cured me." Just as good for Liver and Kidney troubles and general debility. Only 50c. Satisfaction guaranteed by City Drug Store.

"The Triumph of National Irrigation" is the subject of an important article in the July Review of Reviews by William E. Smythe. The work done by the Government in the first two years under the Reclamation Act is summarized by Mr. Smythe, who, eleven years ago, wrote for the Review the first article that ever appeared in an American magazine explaining and supporting the national irrigation idea, as an organized cause.

Night Was Her Terror.

"I would cough nearly all night long," writes Mrs. Chas. Applegate, of Alexandria, Ind., "and could hardly get any sleep. I had consumption so bad that if I walked a block I would cough frightfully and spit blood, but, when all other medicines failed, three \$1.00 bottles of Dr. King's New Discovery wholly cured me and I gained 58 pounds." It's absolutely guaranteed to cure Coughs, Colds, La Grippe, Bronchitis and all Throat and Lung Troubles. Price 50c and \$1.00 Trial bottles free at City Drug Store.

A timely article by Park Benjamin, in the July Review of Reviews, discusses "Battleships, Mines, and Torpedoes," setting forth the changed conditions of modern naval warfare, as illustrated today in the war between Japan and Russia.
