J. M. Hurley has been engaged by School Supt. Lincoln Savage of Josephine county, who was a former resident of Central Point, to operate his threshing machine for this season. Mr. Savage's machine is one of the largest steam threshers in Jackson county and this will be the eleventh season that Mr. Hurley has had charge of it for Mr. Savage. Mr. Hurley has the reputation of being one of the best treshers in Jackson county both for the quantity of grain that he can get through a machine as well as for clean work and he has a list of regular patrons for whom he has threshed each season for years past. Mr. Hurley expects to start up his machine the last of this week or the first of next, but owing to small acreage of grain in the county this year the season will be short, probably not over six weeks.
