Lewis and Clark Centennial.

International scope is assured to the Lewis and Clark Centennial Exposition to be held at Portland, Oregon, from June 1st to October 15, 1905, by President Roosevelt's approval of the act of Congress making an appropriation for the Exposition, and his invitation to foreign countries to participate Portland's Exposition will represent a total outlay of over \$5,000,000. Though covering 405 acres of land and natural lake, it will be compact in form, and the average person will be able to see and comprehend it all in a few days at moderate cost. The cream of the foreign and domestic exhibits to be made at St. Louis this year will be transferred to Portland at the close of the Louisiana Purchase Exposition. The United States exhibit will be moved entire to Portland and installed in building to be specially erected. This exhibit will be worth \$800,000. In addition Portland will have many features which will not be seen at St. Louis, such as exhibit demonstrating the life, customs and industries of China, Japan, Hawaii, Siberia, Russia, Alaska, Australia, New Zealand, the Philippines and India.

The Lewis and Clark Centennial will be the first international exposition under Government patronage ever held on the Pacific Coast. It will be in every way a Western exposition. The railroads will make low rates from Missouri and Mississippi river points to Portland, and exceptionally low rates will be in effect between Portland and the Rocky Mountain region.

Society's New Game.

"Trail" has taken society by storm. It is something new, something different. "Trail" as the name implies, is founded on a popular hunting sport, is played with fifty-three fine cards in four colors, representing a fox to be chased and caught, and four packs of hounds of thirteen each.

"Trail" has constantly recurring interest for players as they perfect their playing from evening to evening, in marked contrast to certain recent boisterous games that bore the players at the end of an hour.

With the one pack six other splendid, new, copyright games can be played. Two Educational games, and two games of Fun, making it suitable for all members of a family.

"Trail" can be had of dealers or sent post-paid, 75c. gilt edge, plain 50c. Rules for seven games free. COMBINATION CARD GAME CO. ATLANTIC, GA.

Gold Hill Development Company.

The above company has completed arrangements to install a power plant and custom smelter at Gold Hill, Oregon. The final survey has been made by J. S. Howard, and water sufficient will be available at the lowest stage of the river to generate 8000 horse power. The region through which the line will extend is between Ashland and Grauts Pass and all intermediate points. The company will have about 6000 horse power over and above its own requirements to dispose of, at a very reasonable rate. Consumers desiring current for light or power will please address
