**The way to build up your home town is to work for it, talk for it and patronize those in business there**

It is said that the socialists polled 20 more votes in Grants Pass than did the democrats, which indicates that many former democrats have alligned themselves with that party.

Eight years ago Jackson county went almost a thousand for Bryan, four years ago it went about 40 for Bryan and this year indication now point to it being carried by Roosevelt by nearly 700 which is a wonderful change in the political complexion of a county in eight short years.

The election just over will pass into history as one of the quietest ever held in the state of Oregon on a presidential year despite the fact that there was a not contest on between the prohibition and antiprohibition people in this county which prevented a large stay-at-home vote.

The Sentinel is out this week on time the first time for several months and if it is somewhat short on news it is because we have been very busy getting caught up with our work. However, in the future, we will have six days to work on the paper even though we do get it out on Thursday evening as we intend to do and there will be no good excuse for us being much behind time.

"Trail" has taken society by storm. It is something new, something different. "Trail" as the name implies, is founded on a popular hunting sport, is played with fifty-three fine cards in four colors, representing a fox to be chased and caught, and four packs of hounds of thirteen each.

"Trail" has constantly recurring interest for players as they perfect their playing from evening to evening, in marked contrast to certain recent boistrous games that bore the players at the end of an hour.

With the one pack six other splendid, new, copyright games can be played. Two Educational games, and two games of Fun, making it suitable for all members of a family.

"Trail" can be had of dealers or sent post-paid, 75c. gilt edge, plain 50c. Rules for seven games free.
