The town council met in special session Monday afternoon and granted the Condor Water & Power Co. a franchise to erect their poles and wire through the streets and alleys, enroute to Grants Pass. It seems a fair move and justice to all concerned, because, in so doing the council does not in any way, make any contract of any kind with Dr. Ray, but accords him the privilege he asks.—Gold Hill News.

GRIP QUICKLY KNOCKED OUT.

"Some weeks ago during the severe winter weather both my wife and myself contracted severe colds which speedily developed into the worst kind of la grippe with all its miserable symptoms," says Mr. J. S. Egleston of Maple Landing, Iowa. "Knees and joints aching, muscles sore, head stopped up, eyes and nose running, with alternate spells of chills and fever. We began using Chamberlain's Cough Remedy, aiding the same with a dose of Chamberlain's Stomach and Liver Tablets, and by its liberal use soon completely knocked out the grip." These Tablets promote a healthy action of the bowels, liver and kidneys which is always beneficial when the system is congested by a cold or attack of the grip. For sale by City Drug Store.

"I was much affected with sciatica," writes Ed C. Nud, Iowaville, Sedgwick Co., Kan., "going about on crutches and suffering a deal of pain. I was induced to try Ballard's Snow Liniment, which relieved me. I used three 50c bottles. It is the greatest liniment I ever used; have recommended it to a number of persons; all express themselves as being benefited by it. I now walk without crutches, able to perform a great deal of light labor on the farm." 25c, 50c, \$1.00. Sold by City Drug Store.
