### OTHER NEWS OF THIS LOCALITY

Bert Loutzenhiser, a partner of M. D. Whipple on contract work in one of the upper tunnels on the Opp property near town, was severely injured last Monday morning by a falling rock. Drs. Bowersox and Robinson were called at once and found that the injury sustained by Mr. Loutzenhiser was a compound fracture of the left femur about two inches above the knee joint and extending into the joint. The injured member was set and seems to be healing nicely, altho the injury was very severe and will require skillful surgery and careful nursing. The injured man is being cared for at the home of Mrs. Steele and is receiving the very best of care.

### Popular Young Couple Wed.

One of the prettiest home weddings that has taken place here for a long time was that of Mr. James T. Buckley and Miss Emma Ulrich, on New Year's day at the home of the bride's parents Mr. and Mrs. Chris Ulrich. A beautiful marriage ceremony was performed by Rev. Father Lane after which the guests sat down to a sumptuous wedding dinner such as the hostess is famed for providing. The groom is one of the stalwart and substantial young men of the Apple-gate country while the bride is one of Jacksonville's most popular young ladies and a member of a well-known pioneer family. They left at once for their home in the Applegate valley followed by the well-wishes of their many friends.

The following were the invited guests nearly all of whom were present: Mr. and Mrs. James C. Buckley, Sr., Mr. and Mrs. Randles, Mr. and Mrs. Rose, Mr. and Mrs. Harry Luy, Mr. and Mrs. Will McDaniel, Mr. and Mrs. Schmidt, Mr. and Mrs. Haney, Mr. and Mrs. Kenney, Mr. and Mrs. Neuber; Mesdames Cook and Elliott; Misses Leona Ulrich, Fleeta Ulrich, Mabel Elliott, Marie Nickell, Mervina Kenney, Frances Kenney and Laura Neuber; Messrs. Lewis Ulrich, Roy Ulrich, George Buckley and David Buckley.

### Make Rates To Farmers.

A representative of the Condor Water, Light and Power Company has recently been interviewing the farmers, ranchers and miners who are located along the lines and proposed lines of the Company with a view of contracting with them for light and power. The Company makes a proposition of \$30 a year per horse power for electric power which is said to be much cheaper than for gasoline power for pumping or for any other purpose. Many all along the lines were very much pleased with the prospect and are contracting with the Company. A very low flat rate will also be given the out-of-town residents for the lighting of their homes by electricity.

### Firemen's Ball.

A near as we can learn from inquiry, the firemen of our town never do make

a fizzle of anything they undertake, especially in the way of social dances, for which they are noted.

The firemen's annual ball last Friday night proved to be a great success financially and was greatly enjoyed by all present and there was a good attendance.

Miller's dance orchestra furnished the music which was very good. Mrs. Ulrich provided the supper which was one of those great suppers for which she is noted and which are almost a banquet, and the fire laddies managed the dance which was done admirably. The hall was beautifully decorated and the dancers were orderly, sober, and there for a good social time which they surely had.

The affair netted the boys about half a hundred dollars which was not so bad, considering that they spared no expense to make it a success.

### CURED LUMBAGO.

A. B. Canman, Chicago, writes March 4, 1903. "Having been troubled with Lumbago, at different times and tried one physician after another, then different ointments and liniments, gave it up altogether. So I tried once more, and got a bottle of Ballard's Snow Liniment, which gave me almost instant relief. I can cheerfully recommend it, and will add my name to your list of sufferers." Sold by City Drug Store.

### Lumber at Low Prices.

Jackson County Lumber Company, having cut out their timber and prepared to move their mill have a large quantity of good building material in their yard that they will sell at bottom prices. Farmers will find this a good opportunity to purchase lumber at their own price.

Hon. H. Von der Hellen was in the county seat this Wednesday. He will leave for Salem on Saturday to take up his duties at this session of the state legislature.

## THE COUNTY NEWS

**Short Paragraphs Regarding Doings Throughout the Length and Breadth of Jackson County as We Succeed in Capturing Them.**

### SOME ARE NEWSY; SOME ARE NOT

#### Lost In the Mountains.

David Zanon, a brother of Martin Zanon, a prominent Butte creek stock grower, has been lost in the mountains of that vicinity since December 24th when he started to cross the mountains from Willow Prairie where he was feeding a bunch of cattle for his brother, to his home on Lake creek, a distance of eight or ten miles. The people of that vicinity are anxious concerning his fate as it is feared that he became lost and wandered back into the mountains where he must have perished from cold, fatigue and hunger. Searching parties have been scouring the mountains to find some trace of the missing man but owing to a recent fall of snow, no trace has yet been found. There is little chance of the man yet being alive as many days have elapsed since he disappeared, and if he has perished, there is little chance of recovering his body until the snow leaves the mountains in the spring. Martin Zanon offers a reward of \$50 for the recovery of the body.

#### Stabbing Affray at Gold Hill.

Last Thursday afternoon Charley Johnson, while intoxicated, and Tony Olson were scuffling in Carne's saloon at Gold Hill when Johnson suddenly became

angry and stabbed Olson with a dirk knife just under the heart making an ugly wound an inch and a half long. Medical aid was called and several stitches were required to draw the wound together. Mr. Olson seems to be getting around nicely for which both the gentlemen should be very thankful. Mr. Johnson was given a hearing and bound over to the district court and in default of \$500 bail, was brought to Jacksonville and placed in the county jail to await the March session of the district court.

#### May Build Stub Road.

Articles of incorporation were recently filed of the Medford & Crater Lake Railroad Company. The incorporators of record are A. A. Davis, B. F. Adkins, J. M. Keene, R. H. Whitehead, B. H. Harris, W. F. Entrop and W. I. Vawter. The capital stock has been fixed at \$500,000. The object is to construct and operate a railroad from Medford east to the timber belt. This corporation is to supersede the Southern Oregon Development Co., and takes over the rights of way, surveys, etc., of that company which has been engaged in preliminary work on the proposed route for some months. Permanent organization of the new company will be perfected soon, it is announced.

#### Murderers Captured.

Yesterday information was received by telephone from the Sheriff of Del Norte county to the effect that he had apprehended the murderers of Pat. Dunn. They were trying to make their way up the coast, and had parted with one dollar bills which was a part of the booty secured, and had in their possession other articles evidencing their guilt. Apprehending these men is a good piece of work on the part of the Sheriff of Del Norte County.—Grants Pass Her ald.

REV. CARLISLE P. B. MARTIN,  
L. L. D.

Of Waverly, Texas, writes: "Of a morning, when first arising, I often find a troublesome collection of phlegm which produces a cough and is very hard to dislodge; but a small quantity of Ballard's Horehound Syrup will at once dislodge it, and the trouble is over. I know of no medicine that is equal to it, and it is so pleasant to take. I can most cordially recommend it to all persons needing a medicine for throat or lung trouble." Sold by City Drug Store.
