Title perfect, house in good repair and supplied with hot and cold water on over and upper floors, bath room, wood room, closets and all conveniences of a modern boarding house. A CERTAIN CURE FOR CROUP.

When a child shows symptoms of croup there is no time to experiment with new remedies, no matter how highly they may be recommended. There is one preparation that can always be depended upon. It has been in use for many years and has never been known to fail, viz: Chamberlain's Cough Remedy. Mr. M. F. Compton of Market, Texas, says of it, "I have used Chamberlain's Cough Remedy in severe cases of croup with my children, and can truthfully say it always gives prompt relief." For sale by City Drug Store.

Society's New Game.

"Trail" has taken society by storm. It is something new, something different. "Trail" as the name implies, is founded on a popular hunting sport, is played with fifty-three fine cards in four colors, representing a fox to be chased and caught, and four packs of hounds of thirteen each.

"Trail" has constantly recurring interest for players as they perfect their playing from evening to evening, in marked contrast to certain recent boistrous games that bore the players at the end of an hour.

With the one pack six other splendid, new, copyright games can be played. Two Educational games, and two games of Fun, making it suitable for all members of a family.

"Trail" can be had of dealers or sent post-paid, 75c. gilt edge, plain 50c. Rules for seven games free.
