Von der Hellen Introduces a Bill.

To prohibit telephones in immoral places is the purpose of a bill introduced by Representative Von der Hellen, of this county, in the House Tuesday. The bill if enacted, will make liable to punishment any person who shall refuse to remove a telephone from an immoral house or room within five days after notified of the evil character of the place,and he shall be deemed to be knowingly violating the act. The penalty proposed is a fine of not more than $100 nor less than $10, or by imprisonment not less than five or more than ten days. The bills give Justices of the Peace jurisdiction. Those amendable to the act are to be the persons conducting any telephone exchange.

"There With the Goods"

You can all kick at Dr. Ray and the Condor Water & Power Co. all you want to; and when you get through; as we have said before; they are the only ones making a showing says the Gold Hill News. Up to date, the others are all talk—hot air—wind! The writer has stood for it long enough—now put up or shut up. The Condor Water & Power Co.are today unloading four cars of poles and stakes, here at Gold Hill, for their electric line. At the big dam, the railway company is putting in a long switch to accommodate the many cars of machinery that is daily arriving. The Condor Water & Power Co. are making good. They are spending their money every day.

GRIP QUICKLY KNOCKED OUT.

"Some weeks ago during the severe winter weather both my wife and myself contracted servere colds which speedily developed into the worst kind of la grippe with all its miserable symptoms." says Mr. J. S. Egleston of Maple Landing, Iowa. "Knees and joints aching, muscles sore, head stopped up, eyes and nose running, with alternate spells of chills and fever. We began using Chamberlain's Cough Remedy, aiding the same with a dose of Chamberlain's Stomach and Liver Tablets, and by its liberal use soon completely knocked out the grip." These Tablets promote a healthy action of the bowels, liver and kidneys which is always beneficial when the system is congested by a cold or attack of the grip. For sale by City Drug Store.
