### Lebanon Bank Robbery.

Robbers broke into the Lebanon bank Tuesday night, blowed open the vault and escaped with \$8,000 without even leaving a single clue as to their identity. They escaped down the railroad track on a velocipede to a point where they had horses concealed upon which they made their escape. They blew the entire front out of the safe and gathered the coin in sacks. The robbery occurred about 4:00 o'clock in the morning when the streets were deserted. A posse is in pursuit but with small chance of success.
