CLUBBING TERMS.

TRIAL SUBSCRIPTIONS—The Jacksonville Sentinel will be sent to any address, at any postoffice in the United States, for four weeks for 10 cents. All subscriptions, regular or trial, will be promptly stopped at the date of expiration, unless a renewal is received.

FRIDAY, MARCH 24, 1905.

Take notice of our clubbing rate with the Twice-a-Week Portland Journal. The two papers for \$2.00 a year. Paul DeLaney's great Oregon story, "The Sheepherder" will be published in the Journal and you want to read it.

There are people, and lots of them, who cannot see why on earth an editor doesn't make money on a small country weekly paper, and yet these same people never once think of paying their own subscription. Come, brace up and pay your delinquent subscription to your little home paper.

Russia has at last decided that she has had enough of war and will sue for peace, hoping that the victorious Japanese will not dictate such harsh terms that she cannot accept them without humiliating her national dignity. Her splendid fleet is at the bottom of the sea and her shattered armies are fleeing northward to Harbin to escape the relentless Japanese while she is having trouble in securing funds with which to carry on the war, hence what other course is possible for her other than to ask for peace. Russia, the tyrant nation is beaten, and crushed in Asia and by an enemy of less than one-fifth her size and population. Russia is getting but little sympathy from the nations of the world, even her old friends, France and Germany seem to be giving her the cold shoulder since her recent reverses. No one has any sympathy for a big bully when a little fellow whips him in a fight that he himself has provoked.

### PROTECT THE SONG BIRDS.

A very able and timely article appears in last week's Grants Pass Courier regarding Southern Oregon song birds and their wanton destruction by the "small boy" by means of the deadly "bean shooter" and the 22 calibre rifle which he uses with such telling effect on the little feathered songsters, especially those that winter in this country and whose cheerful songs gladden the heart of man throughout the entire year. Although these birds are protected by law it is quite a common practice among the younger boys of our town to hunt them at this season of the year, and many a boy returns home frequently with a half-dozen or more meadow larks or robins which are soon dressed, cooked and eaten and no serious thought is given the matter.

At Grants Pass steps are being taken to stop this evil practice and to prosecute the offenders. Similar steps should be taken here and our song birds protected as they should be. Offenders should be warned, many of them are ignorant of the law, and upon a repetition of the offense, should be prosecuted to the full extent of the law.

### School Entertainment.

The high school entertainment last Saturday evening drew a large crowd to the hall, in fact fully as many as could be accommodated. The entertainment was excellent throughout and was well worth the time and expense of going. The pupils that participated in the drills, songs etc. showed both ability and good training.

"That Rascal Pat" was fully up to expectations and was well put on by Prof. Freel and high school students. In a financial way it was also a success as between 50. and \$60. was realized from the sale of seats. The program as rendered was as follows:

- 1—"Kind Hearts Love the Little Flowers." Nine girls. Intermediate department.
- 2—"The Burglars." CAST: Josiah Green; Maria Green, his wife; Kittie, the housemaid and Toby, a negro.
- 3—"Moonlight." Neil Moret. Frances Kenney.
- 4—"Dame Trot's Washing Day." Adarel Elmer.
- 5—"Hello, Central, Give me Heaven." Edith Haefs.
- 6—"The Elf Child." Nine pupils. Intermediate department.
- 7—"I'm a Shepherd of the Valley." Six girls.
- 8—"Delsarte Children." Eight pupils. Primary department.
- 9—"She Didn't Want Much." Stella Davidson.
- 10—"The Star Spangled Banner." Eight girls. Intermediate department.
- 11—"The Tradesmen." Twelve boys. Primary Department.

### CHAMPION LINIMENT FOR RHEUMATISM.

Chas. Drake, a mail carrier at Chapinville, Conn., says: "Chamberlain's Pain Balm is the champion of all liniments. The past year I was troubled a great deal with rheumatism in my shoulder. After trying several cures the storekeeper here recommended this remedy and it completely cured me." There is no use of anyone suffering from that painful ailment when this liniment can be obtained for a small sum. One application gives prompt relief and its continued use for a short time will produce a permanent cure. For sale by City Drug Store.

### CURED CONSUMPTION.

Mrs. B. W. Evans, Clearwater, Kan. writes, My husband lay sick for three months. The doctors said he had quick consumption. We procured a bottle of Ballard's Horehound Syrup, and it cured him. That was six years ago and since then we have always kept a bottle in the house. We cannot do without it. For coughs and colds it has no equal. For sale by City Drug Store.

### INVALUABLE FOR RHEUMATISM

I have been suffering for the past few years with a severe attack of rheumatism and found that Ballard's Snow Liniment was the only thing that gave me satisfaction and tended to alleviate my pains. March 24, 02: John C. Degnan, Kinsman, Ills. For sale by City Drug Store.

### Lewis and Clark Centennial.

International scope is assured to the Lewis and Clark Centennial Exposition to be held at Portland, Oregon, from June 1st to October 15, 1905, by President Roosevelt's approval of the act of Congress making an appropriation for the Exposition, and his invitation to foreign countries to participate Portland's Exposition will represent a total outlay of over \$5,000,000. Though covering 405 acres of land and natural lake, it will be compact in form, and the average person will be able to see and comprehend it all in a few days at moderate cost. The cream of the foreign and domestic exhibits to be made at St. Louis this year will be transferred to Portland at the close of the Louisiana Purchase Exposition. The United States exhibit will be moved entire to Portland and installed in building to be specially erected. This exhibit will be worth \$800,000. In addition Portland will have many features which will not be seen at St. Louis, such as exhibit demonstrating the life, customs and industries of China, Japan, Hawaii, Siberia, Russia, Alaska, Australia, New Zealand, the Philippines and India.

The Lewis and Clark Centennial will be the first international exposition under Government patronage ever held on the Pacific Coast. It will be in every way a Western exposition. The railroads will make low rates from Missouri and Mississippi river points to Portland, and exceptionally low rates will be in effect between Portland and the Rocky Mountain region.
