**Roseburg Land Office.**

There is much interest just at present, throughout all Oregon, in the Roseburg land office, as to when it will open for business and to whom will be given the appointment of Register and Receiver of the same, since it is given out positively that neither Booth nor Bridges will be reinstated in office. From what can be learned it is believed that the office will be opened for business within a very short time. All papers have been filed in their regular order since the office has been closed and will be taken up in the same order upon it being opened for business, which everybody hopes will be very soon as many important matters are being delayed by this delay.

There also seems to be a great interest regarding who will succeed Messers, Booth and Bridges as there are many aspirants, from all portions of the district. Among those whose names are being mentioned in connection with these offices are D. H. Jackson, C. H. Pierce and B. F. Mulkey of Ashland, J. S. Cochran, and N. L. Narregan of Medford and Gus. Newbury of Jacksonville. The outcome of the matter is of much interest and importance to people of Southern Oregon.

Orders taken for custom and tailor made clothing. Goods are right, prices are right and you will be treated right at Furness the Chothier's.
