

Get the Essence of Satisfaction

By Dealing with a Strictly Reliable House

When it's Jewelry, Watch Repairing, Optical Work or kindred lines you want, come to the Leading Establishment in those particular lines, where you get your money back if you are not satisfied

Our reputation is pretty good, too, as the old saying serves as proof, "Imitation is the Sincerest Flattery," so it don't make me mad to have others copy the simple and upright business methods I am using

What would you look like?

Two-Dollar Novelty Suit. 69¢, you get to show these coat legs.

We Guarantee a Fit

Would you look like the man who IS or the man who was?

If the former, you'll make it a rule to wear only tailored-to-order clothes, such as we will have made for you by Ed. V. Price & Co., exclusive merchant tailors, of Chicago.

These famous tailors manufacture no ready-made clothing—but produce only garments made to the individual measure of the man who wears them, garments that are never surpassed and but rarely equalled in all that counts for quality, style, shape and workmanship.

The cost to you is but \$25 to \$40 the suit or overcoat, according to the cloth you select from 500 elegant fabrics, many of which are exclusive. At the price, therefore, you have no excuse for wearing unsatisfactory store clothing.

You'll find much help in studying designs 485, 486, 489, 490, 491, 493 on our new fashion plates, and fabrics Nos. 4404 L, 4389 J, 4363 J, 4358 J, 4329 I, 4306 I, 4276 HH in our Spring line. Come in today and learn what's what.
