ABOUT QUALITY
From the day this store was opened to the public we have been conducting a campaign of higher education on clothing, and it is gratifying for us to know that once a man has purchased from us, he learns the value of quality as we expound it and not only comes here for his future needs but recommends us to his friends. We do not and never will advertise anything but facts, we do not offer garments at prices which must mean misrepresentation, and furthermore we guarantee every garment to be exactly as represented, not only at the time you purchase it, but for all times.
