

Get the Essence of Satisfaction

By Dealing with a Strictly Reliable House

When it's Jewelry, Watch Repairing, Optical Work or kindred lines you want, come to the Leading Establishment in those particular lines, where you get your money back if you are not satisfied. Our reputation is pretty good, too, as the old saying serves as proof, "Imitation is the Sincerest Flattery," so it don't make me mad to have others copy the simple and upright business methods I am using

We Guarantee a Fit

The one best bet around this town is the fact that every man in it can wear tailored-to-order clothes and be neatly dressed—if he wants to be.

Just walk into our store and ask us to take your measure—then make your own selection from 500 handsome Spring and Summer fabrics, pick out the design you prefer from our exclusive and original fashion plates, and tell us to send the order to Ed. V. Price & Co., Chicago's great exclusive merchant tailoring establishment.

The suit or overcoat they make to your individual order will cost but \$25 to \$40, according to the cloth and style of garment you prefer, but after you've worn the first one and proved its superior excellence, you'll forget ready-made clothing ever existed.

Call today and ask to see Fabrics Nos. 4404 L, 4398 K, 4368 J, 4320 I, 4306 L, 4276 HH, and style designs 493, 490, 489, 491, for clever ideas in clothes.

Mutual Help.

The race of mankind would perish did they cease to aid each other. From the time that the mother binds the child's head till the moment that some kind assistant wipes the death damp from the brow of the dying we cannot exist without mutual help. All, therefore, that need aid have a right to ask it from their fellow mortals; no one who holds the power of granting can refuse without guilt.—Scott.

Juvenile Diplomacy.

"Pa," inquired Freddie, "what is diplomacy?" "Diplomacy, my boy," responded the old man proudly, "is doing exactly the right thing at exactly the right moment."

"Then I used diplomacy last night," "What did you do, my boy?" "Why, I heard mamma say that she was going to give me some castor oil. Now, you know, I generally sleep on the outside of the bed, but last night, when I heard mamma coming upstairs, I pushed Johnny into my place, and Johnny had the dose of oil."

Hereditary.

Vincent was altogether too garrulous in school to please his teachers. Such punishments as the institution allowed to be meted out were tried without any apparent effect upon the boy until at last the head master decided to mention the lad's fault upon his monthly report. So the next report to his father had these words:

"Vincent talks a great deal." "Back came the report by mail duly signed, but with this written in red ink under the comment: "You ought to hear his mother."—School Board Journal.
