Get Rid of His Company. A visitor at a health springs was disinclined to sociability. After he had been there a few days a young woman stopping at the same hotel took pity on his seeming loneliness and tried to engage him in conversation.

Unnatural History. Not all English children are well posted on live stock. The following "howlers" are from essays exhibited at a recent show.

A Weighty Freja. One of the ladies in fancy dress was, though fair enough, a trifle fat, and we will not say that she did not look well out of the thirties.

A Quaint Comparison. A southern congressman tells of an old darky whom he once encountered in a railroad station at Charleston and whom the congressman, expecting to remain in town but a few minutes, desired to take a note to a friend in the city.

The Land Pirate. She went up to a surrey standing at the station. "How much to the inn?" she asked the man.

Moonshine. The glory of the sun and the glory of the moon are widely variant in degree. "Try," said an astronomer, "to imagine the sky studded all over with full moons. You might think such a glare would be intolerable, that we should be deluged with an overwhelming light.

The Partner in Slander. He that by crafty significations of ill will doth prompt the slanderer to vent his poison; he that by a willing audience and attention doth readily suck it up or who greedily swalloweth it down by credulous approbation and assent; he that pleasingly relieth and smothereth at it or expresseth a delightful complacence therein; as he is a partner in the fact, so is he a sharer in the guilt.—Isaac Barrow.

NEW YORK CITY. Although New York city owns many buildings, it pays nearly \$1,000 a day in taxes. Builders in New York city invest \$600,000 each day in land and new houses for apartment dwellers.

MILLS ADDITION LOTS are Advancing in Value When blocks in Mills Addition were offered at bargain prices a number of shrewd investors bought; since that time values have increased materially. These Lots are Bargain Buys at present prices, and there is every reason to anticipate an advance in prices. Remember these lots are FIFTY feet in width and ONE HUNDRED AND TWENTY FEET deep—more than double the area of most town lots offered to investors.
