

Get the Essence of Satisfaction

By Dealing with a Strictly Reliable House

When it's Jewelry, Watch Repairing, Optical Work or kindred lines you want, come to the Leading Establishment in those particular lines, where you get your money back if you are not satisfied. Our reputation is pretty good, too, as the old saying serves as proof, "Imitation is the Sincerest Flattery," so it don't make me mad to have others copy the simple and upright business methods I am using.

The Service

you obtain from your clothing is two-fold. There is style service and the service defined by the durability of the garments. The one is a matter of taste and the other a matter of quality.

The patrons of this store have learned that we safeguard them on both kinds of service, and in addition to this we endeavor to give them at all times the very best personal service possible. Your good will and patronage are our existence, and we shall endeavor to merit them—now and always.

The moment we have a dissatisfied customer we expect to close our store, unless it is a man who thinks so little of his money that will purchase something that does not please him and neglect to tell us about it. If you buy anything in this store and it disappoints you in any way, shape or manner, come and tell us about it; we are here to make it right.
