LET EVERYBODY HELP

What we want is more members in the Chamber of Commerce. There are many reasons why every business man in the city should not only support but take an active interest in the Chamber, one of which is that every family brought into the country, means more business to the merchant.

BE A BOOSTER

Five thousand pamphlets, descriptive of Klamath County, have recently been issued by the Chamber of Commerce. This gives our citizens an opportunity to do some effective boosting.

EXCURSIONS

We have the best inducements to offer people of the cities looking for a place to spend their Summer vacations. There is no reason why we should not be able to secure monthly excursions from Portland and San Francisco during the Summer.

This fellow who has a record of over nineteen thousand consecutive evenings at home, lives in Indiana, of course. Where else could we expect to find that kind? Gee! but won't he make things howl if he ever does take a night off?

Just suppose anything should happen to one of our great battleships in a Japanese harbor, what do you think would happen to a few thousand Japs scattered about over this country.

MILLS ADDITION LOTS

are Advancing in Value

When blocks in Mills Addition were offered at bargain prices a number of shrewd investors bought; since that time values have increased materially.

These Lots are Bargain Buys at present prices, and there is every reason to anticipate an advance in prices. Remember these lots are FIFTY feet in width and ONE HUNDRED AND TWENTY FEET deep--more than double the area of most town lots offered to investors.
