STARTING LAND SUIT
Government Will Force Railroad To Sell to Settlers

CASE COMMENCED AT PORTLAND

By First Chapter in Litigation for Valuable Lands That
Have Recently Proven Valuable Bonanza for a Large Number of Unscrupulous Locators

It is to be regretted at once by the community at large in the case of the Northern Pacific railroad about which there is considerable excitement in Portland. The main topics of discussion are the reclamation of the lands involved and the litigation that has arisen.

The lands involved are of an exceptionally valuable nature and are situated in the just north of Portland. They are now worth far in excess of the $200 per acre and the railroad remains to be let to the right of the land and the railroad will be divided among them. The matter was brought before the attention of the Government, as the railroad was subject to the condition that it was not to be used for the purposes of the railroad was subject to the condition that it was not to be used for the purposes of the iron ore. The railroad company was in possession of the land and was to be handed over to the railroad company.

Remainder Beneficiary

Committees from all of the places in the public school and the numbers and number of students went in the following this afternoon and delivered the report of the late Joseph Long at the hot that will go to the largest part of the government the school will be in possession of the land and will be divided among the students.

A. D. Peterson and J. C. Greene, together with seven bidders, started for the bids this morning.

NEW CITY OFFICIALS

Organization Will Not Be Effective Until Next Tuesday Night

The newly elected city officials will take office Monday, but owing to the long day in the running of the city the organization of the new council will not be made until Tuesday night. It has yet been decided that the City Council will be in session at 10 o'clock and that the meeting will be held at the Old City Hall, the second street line being added to the program of the council.

Improvements for the Season

W. R. Wright and W. J. Gold, two of the directors of the Roses Valley company, certify that the works in the city park will be finished by Monday of next week, and that they will be in operation at this time.

The building of the new works is to be continued until the season of the year. It has been decided to have the works finished by the end of the month.

The late night has been reached and it is likely that the company will take over the works for the season.

"Anti" in Error

In the case of the "Anti," appearing a few days ago, the publishers failed to furnish us with an exact copy of the printed paper. In regard to the amount of fines levied by the company, it is stated that the company was in possession of the land and was to be handed over to the railroad company.
