

Strictly Pure Linseed Oil for Medicinal Purposes

Now linseed oil is especially valuable as a laxative for horses and stock and for use in the making of Caron Oil, indicated for recent scalds and burns. Most of the linseed oil of commerce is adulterated and unfit for medicinal use.

SHERWIN-WILLIAMS MEDICINAL LINSEED OIL

is made especially for medicinal purposes and is the purest and best that can be made. It is manufactured from the choicest Northwestern flaxseed, cleaned and re-cleaned. The most complete and sterile conditions prevail in the mill through every stage of its manufacture.

We sell S. W. Medicinal Linseed Oil in pints and quarts. It is ready for use and these directions are on every bottle.
