Our Great Clearance Sale Is Still IN FULL SWING

The Greatest Sale We've ever organized

When we launched this Sale we hadn't the floor space to display all the offerings we had gathered for this most important sale of the year. The departure of a great quantity of merchandise since the sale began enables us to now add this surplus and therefore, our stock is as complete as it was at the opening.

Those who have already attended can pay another visit with profit to themselves. Those who haven't been there cannot afford to stay away.
