WOOD SAWING a specialty. All orders will receive prompt attention. J. L. Fielder. 1201f

Preaching a sermon on "Kissing" has cost an Illinois pastor his pulpit. The young people of the congregation decided that the pastor didn't know any thing on the subject and left to join a church that had a "better informed" minister. Along with this announcement comes another of a pastor who sought information regarding "kissing" from one of the young women of his flock and is now suspended under charges preferred by the girl. The lot of the minister is a hard one—if he doesn't show familiarity with his subject he loses his job; if he tries to familiarize himself with it he loses his job. Pretty soon these particular congregations will be requiring their pastors to attach a letter of resignation to every sermon.
