BONANZA BULLETIN ITEMS.

E. H. Burnham, of Langell Valley, was in the city last night and contemplates attending our school this winter with his brother Hall.

Geo. Dunn on last Monday staked out an acre in the Shook addition and hauled the lumber to commence the erection of a home. He will move his family to town so his children can attend school.

W. R. Wood of Portland, traveling for the J. I. Case Co., made the Bulletin office a pleasant call Tuesday. Mr. Wood is one of the believers in the brilliant future of this section and has invested in some town lots, and a fine quarter section of land near Bonanza.

Since last Saturday the Indians of the reservation have been coming in to Bonanza until at present there are about one hundred camped just across the river from this city. They are buying quite a lot of supplies from our merchants and are freely spending the fifty dollars per head recently given them by a paternal old Uncle Sam—some of them wisely, others otherwise.

S. C. Graves writes from Odell as follows: There are a few surveyors here but they are going out as soon as the storm is over. They have been trying to get another line from Lake Odell to Beaver marsh and cut out the line from here to Eugene. They claim it is hard to find a good pass over the mountains. They are Harriman men. They have been having trouble in getting word from their boss in San Francisco and they think it is high time to get out of the snow.

Star Drug Store will Close

On and after Nov. 1st, 1905, we will close our place of business at 5 P. M. week day nights except Saturday. We will also be closed Sundays except mornings from 9 a. m. to 11 a. m. and evenings from 5 p. m. to 6 p. m.

As in the past we will have a competent person to fill prescriptions and care for emergency necessities, who may be found out of hours and at night at either Dr. White's Residence, or Room 8, in Withrow-Melrose Building, or by phoning 234 or 572.

This move is made after a thorough examination of the situation, and in keeping with the shorter hours movement being advocated by other businesses.

We fully believe that with our excellent emergency system we can serve our patrons promptly with all necessities and with the additional rest and recreation our clerks will be more competent to serve you when on duty.

Thanking the public for past patronage and trusting they will agree with us in our movement, we will ask a continuance of the patronage.

The Difference Between a Suit

made expressly for the man who wears it, and a suit pulled out of a nondescript pile of store clothing is plainly apparent.

Tailor-made-clothes, if the product of those famous merchant tailors, Ed. V. Price & Co., whom we represent here, are

Not Surpassed Anywhere

in the world; but ready-made clothing has to labor under the burden of generality and "average sizes," which means that only one man out of fifty can get anything like a proper fit.

Let us have made up for you your choice of 500 handsome Fall fabrics and 28 exclusive Fashion ideas—just what you want—all for much less money than a small tailor has to charge.
