## We're Up Against It.

Having been forced to discontinue our auction sale by an emergency ordinance passed by the City Council, we wish to inform the people of Klamath Falls and surrounding country that we will open up our Ten Thousand Dollar stock of Jewelry Goods at Private Sale in the store where we are at present located. We have our goods here and will sell the entire stock at a price cheaper than any store in the city can buy them at. We regret being compelled to do this but there is nothing else for us to do, and the people of this city are the winners. Our goods are ready for inspection and we have determined to sell them at less than any dealer can buy them at wholesale.
