KLAMATH FALLS, TUESDAY, JANUARY 26, 1909.

SUMMERS NEWS.

Miss Bee and Miss Hazel Summers will give a party at their new residence in Klamath Falls Friday night. Their classmates and many young friends are invited, and an enjoyable evening is anticipated.

We have set aside Friday afternoon for general reading while the yard is too muddy to enjoy football. Each class has a book which it has selected to read and each member of each class reads for ten or fifteen minutes. Some time is given to discussing current events. In this way we hope to improve the reading of each pupil, and also to read nearly all of our new library books by the close of school.

Charlie Wright, Jack Horton and Claud Clifton took 210 head of beef cattle to the Smith-Noland ranch to be wintered until they become fattened and ready for shipment. Then they will be taken to Merrill to be driven to the railroad.

W. J. Darroch went to the Falls Monday to get lumber, with which to build a harness room on the Ankeny ranch.

Jack Brown is going to help Jack Horton take a bunch of cattle to the railroad, after which he will be employed on the Horton ranch.

J. Sears has found the mule which he was looking for, and which he thought was lost.

E. W. Smith has taken a contract to plow the Worden ranch.

Ben, Rosencrans and Sam Chapel were in our neighborhood last week. They came to get their cows to deliver them to Ed. Jamison at the Falls.

O. Short went to the Falls Wednesday on business.

Harry Johnson is doing the blacksmith work on the Ankeny ranch.

Charles Linzi was a visitor at the school Thursday.

The inclement weather and bad roads are affecting the attendance of

our school in an undesirable way. The number of pupils is reduced to about half of what it should be. While this is unfortunate for the school and those who cannot come, it helps us who do come, by doubling our recitation periods, and thus enabling us to do almost twice the amount of work. The weather is also affecting our news items, as we are unable to get around and gather information, and most of the out of doors work on the ranches is at a standstill.

Three cows were sent to the Ankeny ranch to be fed last week, but at the present writing no one knows who sent them.

Charlie Horton started for the railroad with 213 head of cattle last week.

John Lambert, the stage driver, was unable to make his usual route Friday on account of the roads in some places being impassable.

A surprise party and dance will be given next Friday night at the residence of Walter Turner on the Bonanza road.

One of our former pupils, Miss Lennie Hooper, and E. A. Crants were united in marriage Thursday night. The wedding took place in Klamath Falls. After the ceremony a supper and dance was given in honor of the young couple by the Woodmen and Redmen lodges, both of which Mr. Crants is a member of. The school extends its best wishes.

H. L. Boggs, who lives near the school and does carpenter work in the Falls, has been compelled to take up his abode at the latter place, as the roads are too bad to admit of traveling back and forth.

A dance was given Friday night at the Smith ranch. Sam Short and George Tramel furnished the music. Those present were: Mr. and Mrs. Harry Wilson, Mr. and Mrs. Ernest Durkey, Mr. and Mrs. Joe Cox, Mr. and Mrs. Dawson, Mrs. Lizzie Turner, Walter Turner, Mr. Hawkins, Dave

Wade, Louie Dixon, Min Lovelady, John Lovelady, Mr. and Mrs. Keifer, Joe Tramel, Bud Kinney, Miss Rose Myers, Will Langell, Mr. and Mrs. Everett Kirkendall, Miss Dora Lowden, Miss Cox, Miss Etta Turner, Miss Maud Turner and Jas. Hull.

If the ice continues good for a few days longer Mr. Brooks contemplates giving a skating party.

Mr. Stephens was over from Jim Dixon's Thursday.

Mrs. Routley, who has been quite ill with grippe is slowly recovering. Claud Clifton is going to bring 240 head of cattle from the Horton ranch to the Ankeny ranch.

Henry Anderson is sick with a bad cold.

Johnnie Sears took 84 head of mules to Merrill Saturday. He lost one of them on the way over.

Mrs. Pointer visited Mrs. Scott Barnes last Friday.

Mr. and Mrs. Hopkins are expected to return from California in a few days.

Mr. Beals passed here last week, en route from the Falls to Merrill. Jas. Dixon and Nelson Smith went to the Falls Monday.

Chas. Horton brought 40 head of cattle from Dairy to the Ankeny ranch last week.

J. D. Hopper passed through here Tuesday on his way to the Falls.

PINE GROVE NEWS.

Guy and Leo Thompson have again started to school.

Johnny Meier was visiting with John Hibberts Saturday, Sunday and Monday.

Clarence Harris and brother are cutting their winter's supply of wood. J. S. Mills and Chas. Mack went to the Falls Tuesday.

E. A. Lewis, who has been visiting with J. S. Mills, returned to his home in the Willamette Valley Thursday.

Mr. and Mrs. Almo Newton and daughter, Mr. and Mrs. Colson and children, and Annie Short and children, visited Tommy Short Sunday.

John Shepard is sick with neuralgia.

Mr. Origaby and daughters, June and Elizabeth, went out to his ranch where Mrs. Faith is ill.

Tommy Short has sold his timber claim near By to the Weyerhaeuser Company for \$4000.

Mr. Durkey went to the Falls Friday.

The son of Pearl Stiles, of Swan Lake, is slowly recovering from a very severe burn caused by falling into a fire place recently.

Mr. Pool, of Olene, who has been visiting in California, returned to his home Saturday.

Chas. Mack went to the Falls Saturday.

Mr. Low was out on the range last Saturday looking for some of his cattle.

Edward Payson Weston, veteran long-distance walker, has announced his plans for what will be the culminating athletic feat of his career—a walk across the continent to San Francisco, to be accomplished, according to his schedule, in 100 days. The distance, as he estimates the route, is about 4000 miles. Weston will celebrate the 70th anniversary of his birthday on March 16 by starting on the walk that day.

MILLS ADDITION LOTS are Advancing in Value

When blocks in Mills Addition were offered at bargain prices a number of shrewd investors bought; since that time values have increased materially.

These Lots are Bargain Buys at present prices, and there is every reason to anticipate an advance in prices. Remember these lots are FIFTY feet in width and ONE HUNDRED AND TWENTY FEET deep—more than double the area of most town lots offered to investors.

A Very Rich Man Says:
