Springtime is Here

Spring is here and right now is the time to make things grow. The trees and the bushes need pruning, the dead limbs should be taken off, and the garden and lawn will amply repay you for a little attention now. Good workmen use good tools, and these are the only kind we carry. Let us suggest: GARDEN BARROWS, GARDEN and LAWN RAKES, SPADES, BEADING FORKS, SHOVELS, TROWELS, PRUNING SHEARS, SAWS AND SPRAY PUMPS. Truly, everything to make the lawn, garden and shrubbery beautiful for the coming year.

MILLS ADDITION LOTS are Advancing in Value

When blocks in Mills Addition were offered at bargain prices a number of shrewd investors bought; since that time values have increased materially.

These Lots are Bargain Lots at present prices, and there is every reason to anticipate an advance in prices. Remember these lots are **FIFTY** feet in width and **ONE HUNDRED AND TWENTY FEET** deep—more than double the area of most town lots offered to investors.

More Bank Talks

Did it ever occur to you why all good business men keep a checking account with a bank? We'll tell you. It enables them to keep their funds in a more secure place than the office safe. It gives them a better standing in the business world. It enables them to pay their bills by check, the returned check being an undisputable receipt.

Individuals find a checking account very convenient and a source of saving. Money in one's pocket is often spent on the spur of the moment, while one is disposed to think twice before drawing on his balance in the bank. **GET THE SAVINGS HABIT.** Lay up for a rainy day. Start a bank account with
