## Springtime is Here

Spring is here and right now is the time to make things grow. The trees and the bushes need pruning, the dead limbs should be taken off, and the garden and lawn will amply repay you for a little attention now. Good workmen use good tools, and these are the only kind we carry. Let us suggest GARDEN BARROWS, GARDEN and LAWN RAKES, SPADES, SPADING FORKS, SHOVELS, TROWELS, PRUNING SHEARS, SAWS AND SPRAY PUMPS. Really, everything to make the lawn, garden and shrubbery beautiful for the coming year.

**MILLS ADDITION LOTS**  
are Advancing in Value

When blocks in Mills Addition were offered at bargain prices a number of shrewd investors bought; since that time values have increased materially.

These Lots are Bargain Lots at present prices, and there is every reason to anticipate an advance in prices. Remember these lots are FIFTY feet in width and ONE HUNDRED AND TWENTY FEET deep—more than double the area of most town lots offered to investors.
