Springtime is Here

Spring is here and right now is the time to make things grow. The trees and the bushes need pruning, the dead limbs should be taken off, and the garden and lawn will surely repay you for a little attention now. Good workmen use good tools, and these are the only kind we carry. Let us suggest GARDEN BARROW, GARDEN and LAWN RAKES, SPADES, SPADING FORKS, SHOVELS, TROWELS, PRUNING SHEARS, SAWS and SPRAY PUMPS. Briefly, everything to make the lawn, garden and shrubbery beautiful for the coming year.
