Bring Her With You!

WOMEN know better than men what is good quality in cloth. They know a pure wool fabric when they see it, and they have good taste too in the selection of fabric, design and color. That is why we like you to Bring Her With You when you want to buy a new suit or overcoat. Ask for the International, genuine all wool line, and put the question of worth to her. International quality can stand the severest test—eye—the test even of a bargain-hunting lady.

Springtime is Here

Spring is here and right now is the time to make things grow. The trees and the bushes need pruning, the dead limbs should be taken off, and the garden and lawn will amply repay you for a little attention now. Good workmen use good tools, and these are the only kind we carry. Let us suggest GARDEN BAIS, GARDEN and LAWN RAKES, SPADES, SPADING FORKS, SHOVELS, TROWELS, PRUNING SHEARS, SAWS AND SPRAY PUMPS. Briefly, everything to make the lawn, garden and shrubbery beautiful for the coming year.
