KLAMATH FALLS, SATURDAY, APRIL 24, 1909.

Prisoners will have another Spring meet of the local reformatory, and the contents of previous years will be duplicated. It took the committee less than an hour to raise \$600 recently. The purse will amount to about \$2000. The date has not been set, but it will probably be the week following the May term of court.

Of the 294 second-class passengers who arrived in New York on the Holland-Americana liner Ryndam recently, 190 were children between the ages of 4 and 16 years. The Ryndam gave appearance of a genuine nursery. To add to the nursery, Mrs. Ernest Cabbote, wife of a Philadelphia druggist, became the mother of twins during the voyage.

Because the referendum is being invoked on the increased salary of Circuit Judge William Smith of Baker City, friends of Smith are, in retaliation, invoking the referendum on the only bounty law.

### PERT PARAGRAPHS.

It is just as respectable to be just a common person as it is to be a bewitching conjuror and a hot spicy capitalist.

People who know it all must be tempted to go away and die out of sheer boredom.

It is better to be a live cabbage head than a deadbeat.

When the lion and the lamb lie down together the lion has a conciliated companion, while that of the lamb is being out of sight.

A rich man may find it hard to enter heaven. On the other hand, it is equally hard to keep him in jail.

While a young man finds a girl diverting, he should be careful that he doesn't find her father an advertiser.

WELL - HERE GOES NO-BODY LOVES A FAT MAN ANYHOW

Trying to keep out of difficulty is sometimes a grave difficulty itself.

A messenger boy never does a rushing business unless the tip is put to rest.

It is easy to make some people mad, but rather hard to get them to stay that way.

Had Another Class. "I hear Johnson is in 'k'." "Yes, he is in charge of a washed man." "How is he getting along?" "Oh, I think he is engaged."

## Springtime is Here

Spring is here and right now is the time to make things grow. The trees and the bushes need pruning, the dead limbs should be taken off, and the garden and lawn will amply repay you for a little attention now. Good workmen use good tools, and those are the only kind we carry. Let us suggest GARDEN Hoes, WEEDERS and LAWN RAKES, SPADES, SPADING FORKS, SHOVELS, TROWELS, PRUNING SHEARS, SAWS AND SPRAY PUMPS. Briefly, everything to make the lawn, garden and shrubbery beautiful for the coming year.
