Why on Relative

"Poor man, have you no brothers, sisters, equals or slaves?"
"None at all."
"No sons or uncles?"
"None to think of, I have an un-"

"Is he kind to you?"
"Oh, very! He lets me store my overcoat with him every summer."

Life.
When life is young
And joy is brave
We give it love
Not in a cave
Near to hide
The vital thing
Both far and wide
We goodness find.

Then He Was Mad.
A Scotch university professor, irritated to find that his students had got into the habit of placing their hats and caps on his desk instead of in the cloakroom, announced that the next article of the kind placed there would be destroyed. Some days later the professor was called for a moment from the class room. A student slipped into his private room and emerged with the professor's hat, which he placed conspicuously on the desk. The professor returned, saw the hat, thought some rashly obstinate student had been delivered into his hands, and, taking out his knife, he cut the offending article to pieces, while vainly attempting to conceal the smile of triumph that played about his countenance. He was in a very bad temper the next day.

Bring Her With You!

WOMEN know better than men what is good quality in cloth. They know a pure wool fabric when they see it, and they have good taste too in the selection of fabric, design and color. That is why we like you to Bring Her With You when you want to buy a new suit or overcoat. Ask for the International genuine all wool line, and put the question of worth to her. International quality can stand the severest test—the test even of a bargain-hunting lady.

BRING HER WITH YOU.

Springtime is Here

Spring is here and right now is the time to make things grow. The trees and the bushes need pruning, the dead limbs could be taken off, a little garden and lawn will amply repay you for a little attention now. Good workmen use good tools, and these are the only kind we carry. Let us suggest GARDEN BALES, GARDEN and LAWN RAKES, SPADES, SPADING FORKS, SHOVELS, TROWELS, PRUNING SHEARS, SAWS AND SPRAY PUMPS. Briefly, everything to make the lawn, garden and shrubbery beautiful for the coming year.
