### BRIEF MENTION.

Miss Helen Hogue left yesterday morning for San Francisco, where she has accepted a position.

Horace Dunlap, the cattleman, has purchased the C. A. Bunting ranch in Horsey valley, consisting of 400 acres. The property will be used as a stock ranch, and Mr. Dunlap will move his cattle there at once.

Miss Alice Applegate left this morning for Oakland, Cal. After a few days' visit with her mother she will leave for Washington, D. C., to spend the summer.

Rev. C. F. Swander of Portland is in the city for a few days investigating the advisability of establishing a Christian church here. He will fill the pulpit for Rev. Price at the Methodist church Sunday evening.

J. W. Alexander of the Weyerhaeuser Timber company, who has been in the city for a few days, states that his company is still buying a few timber claims. There isn't much change in the price of timber, and while the company is not hunting for timber, they will pick up anything they can buy at a reasonable price.

The home of Mr. and Mrs. Leslie Rogers was gladdened yesterday by the arrival of a sweet little girl, who has come to run the Rogers household. The little stranger weighed but nine pounds, but still every one answers to her call. Zeph Rogers has the distinction of being the first Klamath Falls baby to take advantage of Captain Siemen's offer to

start a savings account with the sum of one dollar.

Ladies, have you seen the Harrington Washing Machine? Call B. F. Allen, Marshall House. He will come and do your washing free. Try it.

### SUMMER SCHOOL OF MUSIC.

Mr. Geo. A. Wirtz will remain in Klamath Falls during the summer months and will conduct a summer school of music in the High School building, beginning Tuesday, June 5th. This will be a splendid opportunity for all those attending school to take up the study of instrumental music during the vacation season.

Pupils on all instruments will be taught according to the requirements of the modern school of playing, not only in technique but also in the correct interpretation of the composer's ideas.

Special attention will be given to beginners. All those desiring to study should make arrangements the first week.

Mr. Wirtz will be at the High School each day from 9 to 12 a. m.

### "KID BURNS"

A Funny Musical Melange to be Presented at the Opera House This Evening.

Joseph Thompson, the clever character actor, will appear to advantage in the character of Kid Burns in the musical play "Forty-five Minutes From Broadway," at Houston's theater this evening. A great feature of the performance will be the musical numbers introduced, among them being "Mary Is a Grand Old Name," "Harrigan, Poor Married Man," and "So Long, Mary."

The cyclonic action, screeching funny situations, well drawn comedy characters and dramatic climaxes make this play one of the best and most pleasing in the repertoire of the Hes Company.
