HELPING THE TOWN...

By building your money as a bank to your own community, you increase the community’s power in the business world. If substantial farmers want better money there is more to lose than time. If you are a farmer, you must have a bank to handle your crops and chattels. Help your own people. Money lent by a home lender at home helps as no one. Placed in a bank is put to work in ways that help all.

THE FIRST NATIONAL BANK OF KLAMATH FALLS

A good bank to put your money in—safe and reliable.

A SAVINGS ACCOUNT

A steady diet keeps a man healthy, a steady income a home. The First National Bank is a steady diet. It is wide open to the public, it is under the owner’s control at all times. It will not leave you without money for the wants of your family. It is a bank that will always carry your savings.
