

FINAL WIND-UP

A liberal response from the public has somewhat demoralized the assortment and sizes in our stock of Clothing, Hats, Shoes, Furnishings and Etc. This is the result of a Great Sale advertised by this firm, and while we had not the slightest idea that we had gained so strong a confidence among our friends until our Clearance Sale announcement was made. For this we extend to all our many thanks and appreciation, and trust that those having taken advantage of our sale are all well pleased.

We now throw the balance of Our Summer Stock to the Public at very much less than their Former Prices

The prices do the selling—our salesmen simply attend to your wants. Here, now, DIGEST THESE BARGAINS, and don't let the other fellow get ahead of you.

Our Clothing Department Has the Appearance of Being Struck by a Kansas Cyclone.

Our first announcement saved our customers on an average of \$1.00 on each pair of Shoes; of course, our stock was more varied, but NOW SEE what's doing: the assortment is not near so complete—but THE PRICES ARE ALSO NOT NEAR THEIR REGULAR VALUE.

Broken lots of UNDERWEAR, TOP SHIRTS, NECKWEAR, SOX, SUSPENDERS, and numerous other items that is not enough left to make special mention, must be cleared off our shelves. HELP US. We will quote the prices and you furnish the cash; but do not bring your entire wealth with you, as you will find it quite hard to resist the tempting bargains. Of course, you cannot blame us for tempting you in this manner, for we are compelled to do so to make room for our new Fall Stock.
