

FINAL WIND-UP

A liberal response from the public has somewhat demoralized the assortment and sizes in our stock of Clothing, Hats, Shoes, Furnishings and Etc. This is the result of a Great Sale advertised by this firm, and while we had not the slightest idea that we had gained so strong a confidence among our friends until our Clearance Sale announcement was made. For this we extend to all our many thanks and appreciation, and trust that those having taken advantage of our sale are all well pleased.

We now throw the balance of Our Summer Stock to the Public at very much less than their Former Prices

The prices do the selling—our salesmen simply attend to your wants. Here, now, DIGEST THESE BARGAINS, and don't let the other fellow get ahead of you.
