THE BIG STORE
 Every now and then some one gets lost and comes into our store and asks where they are at. After they get their bearings we show them through our stock of Furniture and Kitchen Hardware and give them prices that seem to agree with them first-rate. They always promise to come back and see us some time. We don't try to cut any splurge—just plug along, tell the truth, and be satisfied with what we can get. Don't forget the place.
