Week's Doings
 AT
THE BIG STORE
 We believe advertising is helping us some. Last week there was ten or a dozen people came into our store, and they nearly all bought something.
 One man bought a bed for \$3.50 and a mattress for \$3.00; another man bought a chair (Daniel Boone style) for 85c and a washpan for 10c. A lady bought a good rocking-chair for \$3.00; another man bought a mouse-trap for 5c. A lady bought a set of spoons for two bits and five tin cups for 10c; another man got himself three boxes of tacks for 10c; another man got a cook stove for \$11.00 and a joint of pipe for two bits.
 We feel greatly encouraged over the outlook, and we hope these people will all need something this week.
