Open Confession.

Aunt—Tommy, I put three pies in here yesterday, and now there is only one. How is that? Tommy—Please, it was so dark, aunt, I didn't see that one.—London Punch.

The Reason.

Good Advice.

"Young man," said the boss, "come hither and listen." He approached. "When you've made a mistake forget it and go on to the next job. Don't pester around all day adding a lot of snubbing touches."—Louisville Courier-Journal.

There never was a day that did not bring its own opportunity for doing good that never could have been done before and never can be again.—W. E. Burleigh.

ALL THE NEWS	<i>The Official Paper of Klamath County</i>	ALL THE TIME
\$2.00 per year	THE REPUBLICAN <i>The Best Weekly in the Best Town in the Best County in the Best State</i>	\$2.00 per year
I N A D V A N C E	<p>The duties of a Weekly Newspaper are varied and various. It carries to the outlying districts and country homes the news of the week, and keeps the country resident in touch with the world at large in a manner that could be covered in no other way. Through its columns our country friends learn of the doings in the neighboring cities and towns, the acts of their county officials, and the deliberations and decisions of the county courts.</p> <p>In its advertising columns the progressive merchant sets forth his wares, and many a bargain is decided from its columns before the trip to town is made. Many merchants take advantage of its advertising space to set their goods thus before prospective customers, and in doing so make many sales that would otherwise be lost to them.</p> <p>How welcome a sign in town is when it has been made familiar to the visitor by its constant appearance in "his" Weekly Newspaper no one but that visitor can tell, but from his eager search for familiar names it is easy to determine just what weight his Weekly gives to his judgment when making purchases.</p> <p>The Republican offers exceptional opportunities to the enterprising merchant in this respect. It goes into every home in the county. Those who have not subscribed for it are borrowing it from their neighbors, and promising to subscribe when they come to town. With a circulation of over 1,000 (1,021, to be exact), it is read by five times that number, and is a welcome guest to every member of every family.</p> <p>Our mailing list is open to all prospective advertisers, or to any one who is interested in it, and at \$2 per year the Republican is the best investment ever made by any person in search of the best.</p> <p>It is the endeavor of the publishers to make the Republican the leader of all State Weekly Newspapers, and no expense is spared to accomplish this end. It is far ahead of all local competitors now, and will always be so. The facilities are unsurpassed in any office in the State. The most modern machinery and the latest faces of type are used in its production. No expense is spared in any way, and the result is self-evident.</p> <p>As the country grows with the rapidity that it has in the past few years, and as brilliant prospects forecast for the future, just so fast will the Republican grow. From the little four-page paper of three years ago, it has reached its present generous proportions, and its future is bound to be just as great as the future of this section.</p>	I N A D V A N C E

Helping the Town . . .

By banking your money in a bank in your own community you increase the community's power to do business. If substantial farmers want to borrow money there is more to loan them. If you bank your money away from home it is loaned to other farmers, merchants and manufacturers. Help your home people. Money hidden at home helps no one. Placed in a bank it is put to work in ways that help all.

The First National Bank of Klamath Falls

Is a good bank to put your money in—safe and reliable.

A Savings Account . . .

Is a rainy day fund, a life insurance policy, a sick benefit, a funeral benefit, and an old age pension. There is no forfeiture clause in the passbook, and it is under the owner's control at all times. It will tide him over sickness; it will care for his family when he must go; it will see him through old age, and bury him when he dies. It is a simple business proposition. Begin early, and keep it up, and, like manna in the desert, it will supply him as he journeys.
