The Official Paper of Klamath County
THE REPUBLICAN
The Best Weekly in the Best Town in the Best County in the Best State
\$2.00 per year IN ADVANCE
What would you say if some man living in Klamath Falls made it his business to drive out to your place, no matter what part of the county you are living in, and spent several hours telling you all the news? And what else would you think if he said he would be glad to come out the following week and do the same thing again, and promised to come every week in the year? Wouldn't you inquire as to his mental condition? Well, I guess you would want to know what business he was engaged in that he had so much spare time for disseminating news, or had some ultimate object in cultivating your acquaintance. We'll bring the news. Well, here's the point: The editor of the Weekly Republican has a better proposition to make you than the man who peddles news from house to house. It is not worth your while to ask what our business is; it's the news of the county, and lots of things besides—things that go to make you so snappy and up-to-date as any other man in the township, or county, either; you won't get wise to things that occurred three months ago—you'd know them the week they happen. If you don't fit your own fault. Tie a string on your little finger when you start to the Falls next time and subscribe for The Weekly Republican to come and tell you the news every week in the year. With the Ads, Too. Read the ads—all of them. Look them over each week as carefully as you do the news matter. It costs the merchants good hard-earned money to put these ads in the paper, and they mean them to be read. If you miss getting the full worth of your subscription money it's because you fail to read The Republican ads. You know where to trade when you come to the city; or at least you can't blame it all onto your wife if you make bad bargains.

Helping the Town . . .
By banking your money in a bank in your own community you increase the community's power to do business. If substantial farmers want to borrow money there is more to loan them. If you bank your money away from home it is loaned to other farmers, merchants and manufacturers. Help your home people. Money hidden at home helps no one. I saved in a bank it is put to work in ways that help all.
The First National Bank of Klamath Falls
is a good bank to put your money in—safe and reliable.

A Savings Account . . .
is a rainy day fund, a life insurance policy, a sick benefit, a funeral benefit, and an old age pension. There is no forfeiture clause in the passbook, and it is under the owner's control at all times. It will tide him over sickness; it will care for his family when he must go; it will see him through old age, and bury him when he dies. It is a simple business proposition. Begin early, and keep it up, and, like manna in the desert, it will supply him as he journeys.
