BRIEF MENTION.

J. P. Adams of Merrill is in the city.

For a cup of coffee that makes life worth living, come to the Oregon House.

C. C. Tillotson and wife of Merrill are in the city.

Four prizes of money given away at the Portland Store Saturday, Aug. 28th, 10 p. m. sharp.

Miss L. Hicks of Merrill is registered at the Livermore.

Waists at 98 cents—waists that sold regularly at \$2.50. Don't miss this sale at Stiltz.

Lucien Applegate, the Swan Lake rancher, is about the city today.

Embroideries, fine, handsome patterns, 15 and 21-3c at Stiltz, for a few days more.

Richard Shore Smith and wife and D. J. Zumwalt and wife returned from their Crystal Creek outing last night. The gentlemen succeeded in bagging two fine deer.

Still a nice selection of shirtwaists at Stiltz' dry goods store. They are going fast, and you'll have to hurry.

J. G. Stevenson, president of the Water Users' association is in the city. Mr. Stevenson is here to confer with Engineer Hopson, who is at present visiting Clear Lake dam, and is expected back today.

For Sale Cheap.—A 14-foot launch. Inquire at Achley's mill of A. F. Stanley.

C. T. Oliver sold three threshing machines this last month to Klamath county farmers. The Altman-Taylor company send two experts with each outfit to remain and operate the machine the first season.

For good home cooking, come to the Oregon House. Meals 35 cents.

J. F. Goeller returned from the Upper lake country recently. For the first time in his life Mr. Goeller succeeded in bringing down a buck. He states that J. C. Rutenic and family will return next Sunday.

The local meat markets will no longer be short on choice mutton. Joe Koesel, an old resident of this section, who has a homestead near Dairy, is now supplying the local butchers every Friday with this product, which is fully appreciated by those who have longed for it in vain.

Judge and Mrs. H. L. Benson and daughter, Louise, left this afternoon for Bonanza. The judge will leave shortly for Lakeview on business for the Oregon Valley Land company in connection with the great land drawing which is to take place at the latter place on the 9th of September.

Lakeview will have the greatest land rush in the history of Southern Oregon on the 9th of next month, when the land drawing of the Oregon Valley Land company takes place. If the prediction of the secretary of the Lakeview Chamber of Commerce is correct that between 8,000 and 10,000 people would be there. Strange to relate, there has been no perceptible increase in the population of Lakeview of late, or ever, but doubtless all of the 10,000 will arrive in due time before the 9th. Several tamale wagons will doubtless start eastward soon to be in at the finals.

AT THE IRIS

The old Bible stories seem ever to be dear to all, and in rhyme, art and drama they are always interesting. The beautiful story of David, the God-fearing shepherd boy, is shown at the Iris tonight for its first appearance here. Do not miss seeing it, and bring your boys and girls. There is also an exciting film, "Hunting the Hippopotamus on the Nile," which will stir your sportsman blood. A beautiful colored film, "The Bohemian Girl," cannot fail to be appreciated. Come early. Doors open at 7:30, and you may have to stand if you come late.

TONIGHT AT THE OPERA HOUSE

Billy Wilkins, lightning cartoonist and monologist, will delight the patrons of the opera house tonight with his clever sketches and witty sayings. Mr. Wilkins comes direct from San Francisco, where he has been playing on the Sullivan & Conside circuit. Come and see his lightning sketches of famous men about town.

The motion pictures to-night are a variety performance in themselves, reaching as they do from the sublime to the pathos in "The Old Organ," where an automobile and a mine explosion play tragic roles, to the most farcical humor in the troubles of an over-zealous "Amateur Detective." Then a beautiful colored series in which Cupid goes forth with but four darts and reconciles many estranged lovers and sweethearts. A clever dog brings two thugs to justice in "A Dog Detective," trailing them with a certainty truly marvelous.

Don't forget there are but a few more days in which you can enter your baby's photo in the great contest now open at the opera house. A great number are already entered. Don't fail to bring a photo of your child with you tonight.

That Mean Trick
The man played in putting green goggles on his face to induce him to eat shavings for hay is not necessary to induce you to see your way into the Gun Store to find

Week's Doings AT THE BIG STORE

We believe advertising is helping us some. Last week ten or a dozen people came into our store, and they nearly all bought something.

One man bought a bed for \$25.00 and a mattress for \$5.00; another man bought a chair (Daniel Boone style) for \$10 and a washbasin for \$10. A lady bought a good rocking-chair for \$25.00; another man bought a mousetrap for \$5. A lady bought a set of

spoons for two bits and five tin cups for 10c; another man got himself three hours of tacks for 10c; another man got a cook stove for \$11.00 and a joint of pipe for two bits.

We feel greatly encouraged over the outlook, and we hope these people will all need something this week.

Yes, all of you come down to Virgil's and see what a lot of things you can get for a few pennies.
