Miss Rachael E. Applegate, one of the Merrill Record representatives from Klamath county to the A.-Y.-P. exposition at Seattle, has returned. Miss Iva Whitlatch remained at Albany for a time to visit relatives. Miss Applegate gives glowing accounts of the exposition and pronounces it a decided success on the whole, but says she was seriously dis-

appointed that aside from the very creditable school exhibit from Klamath county, our rich basin is without an exhibit of our farm products, which she thinks would not have been surpassed by anything in that line on exhibition at Seattle. The Alaska exhibit of minerals, furs, etc., was very fine, California and Oregon fruit displays superb, and the government exhibit, as usual, very interesting and instructive.

The prizes offered by the Portland store were won by the following parties: First prize, won by O. H. Crum-packer; second, M. R. Anderson; third, E. W. Jacobson; fourth, C. A. Brisco. The awards were made Saturday night in the presence of a crowded house.

Another huckleberry party started for Crater lake this morning, consisting of John Stiltz, Mr. and Mrs. Harry Stiltz, Miss Eliza Stiltz, Mrs. Brownell and Philip Stiltz from Nebraska, who is visiting here. Week's Doings AT THE BIG STORE

We didn't do quite as well as we expected last week. One man phoned in he couldn't come Saturday; his mother-in-law fell down stairs and ran a knot-hole in her eye. But he said she could still talk some. So we lost about three dollars and four bits on last week.

Anyhow, one man bought a good bed, spring and mattress for \$30; another man got away with a fine Mc-Reehey mattress worth about \$18; a lady bought a wagon load of dishes for about \$40; another man carried off an armload of window shades at 50c apiece; another lady got a nice set of dining chairs for \$24; another

lady bought a fine rug for \$17.50 and a dandy little one for a dollar and two bits. We knocked off some on a carpet deal, and made another lady happy. One man got a frying pan for 15c and a rolling pin for 10c. One man looked at a \$65 range, but didn't buy, he said he could buy a range elsewhere for half the money that would last him a year or so. A man paid 40c for a yard of real good carpet for his dog to sleep on. We are awfully thankful for the patronage received last week, and we hope there are others that will need a few things to cook and sleep with. Don't forget the place.
