Week's Doings AT THE BIG STORE

We didn't do quite as well as we expected last week. One man phoned in he couldn't come Saturday; his mother-in-law fell down stairs and ran a knot-hole in her eye. But he said she could still talk some. So we lost about three dollars and four bits on last week.

Anyhow, one man bought a good bed, spring and mattress for \$30; another man got away with a fine McRae's mattress worth about \$15; a lady bought a wagon load of dishes for about \$40; another man carried off an armful of window shades at 50¢ apiece; another lady got a piece out of dining chairs for \$24; another

lady bought a fine rug for \$17.50 and a dandy little one for a dollar and two bits. We knocked off some on a carpet deal, and made another lady happy. One man got a trying pan for 15¢ and a rolling pin for 10¢. One man looked at a \$65 range, but didn't buy, he said he could buy a range elsewhere for half the money that would last him a year or so. A man paid 40¢ for a yard of real good carpet for his dog to sleep on. We are awfully thankful for the patronage received last week, and we hope there are others that will need a few things to cook and sleep with. Don't forget the place.

They have been in that neighborhood for the past four or five weeks, and made such good use of their time that they brought back with them forty-five gallons of huckleberries.
