should have a new skirt. An elegant new line of separate skirts at 25 per cent discount.

Here is the story—The manufacturer duplicated our order, consequently sending us just twice the amount of skirts ordered. We immediately notified him of his error, so, to justify the claim he allowed us 25 per cent discount if we could use the lot. We accepted his proposal, and will offer the 25 per cent to you. Now, bear in mind that these skirts are the very latest style, and come in Voile, Panamas, Mohairs, Cloths etc.
