

A Beautiful Picture Free with \$20 Purchase

We will give you your choice of a beautiful picture, and you can choose your own frame from our big stock of moldings. These pictures cover a variety of subjects, and as there are over a hundred to choose from each purchaser can certainly find one to his choice. We will frame and glass it free, also, so the beautiful ornament costs you nothing.

Better than this offer, however, good as it is, is the bargains we give you in the furniture you buy. We certainly have the finest stock of Bureaus, Chests, Bookcases, Chairs, Bedsteads, and, in fact, all the beautiful articles of household furnishings that go to make the home complete and pleasant. Added to this is the fact that we buy in carload lots direct from the manufacturer, and are in a position to make you prices that cannot be equaled in the city. Come and see us when in need of anything in our line, and we will surprise you by the prices we will give you.
