Every Man and Woman

That appreciates a complete-at-every-point jewelry store can find much to admire here.

Lately we've been adding to our stock here and there.

Strengthening it—filling it out in spots that seemed to need it. Put in a lot of new watches and quite a few rings of various kinds.

Increased the showing of the smaller goods all along the line—which rounds out our stock nicer than ever.

In what are YOU interested? Be sure you'll find it here.

Be sure it will reflect the signs of the highest quality.

Be sure it will be priced fairly.
